Freedom to sleep anywhere™

www.MyTranscend.com

THE miniCPAP™ JUST GOT BETTER.

The original Transcend miniCPAP™ has been a top-selling travel CPAP for years and now it's even better with the latest upgrades. The reimagined Transcend 3 miniCPAP™ maintains the small, lightweight build you've come to expect in a miniCPAP with upgraded features like a modern design, a flat silicone base for better stability, and a swivel nozzle for a better CPAP experience.

Mini Size & Weight

About the size of a soda can, and weighing just a pound, the Transcend 3 miniCPAP is easy to pack and carry on your next trip. It's even FAA-approved so you can sleep comfortably on your next flight. And you can add a battery pack that's about the size of a deck of cards so you can sleep anywhere.

Durable Quality Design

The Transcend 3 miniCPAP is designed for travel. This robust miniCPAP supports your active lifestyle so you have the freedom to travel AND sleep well no matter where you go. It is even backed by an industry-leading warranty.

The Most Power Options

Transcend 3 miniCPAP has power options that make it easy for you to sleep anywhere. From five star hotels to the rugged outdoors, we've got you covered. Choose from wide variety of power accessories that offer unmatched power options to support your portable CPAP therapy on the go.

GET THE MOST OUT OF YOUR TRANSCEND 3 MINICPAP WITH ACCESSORIES
